# PARTNERSHIPS WITH INDUSTRY LEADERS

We partner with industry leaders in hardware and software solutions. Through our affiliation with these major players in technology we are able to offer our clients the best, proven technology solutions.

A few of the industry leaders we are priveledged to work with:

- |                  |                  |               |
|------------------|------------------|---------------|
| Amer Networks    | Extreme Networks | ShoreTel      |
| APC              | Fat Pipe         | Symantec      |
| AT&T             | HP               | Unify         |
| Avaya            | Dell SecureWorks | Verizon       |
| Brocade          | Juniper Networks | Vmware        |
| Cisco            | Palto Alto       | and others... |
| Eaton            | PineApp          |               |
| EMC <sup>2</sup> | Ruckus Wireless  |               |

 2551 Welaunee Blvd.  
Tallahassee, FL 32308
